PERSONAL ITEMS

Please label all items belonging to your child. Please do not allow your child to bring toys, money, and/or other items from home as these objects pose a danger to small children. We cannot be responsible for lost or broken items. Electronic gaming devices are permitted; however, the content/games will be monitored for appropriate use. Please be advised that we are not responsible for any lost or damaged personal items.

PLAYTIME

Interaction is important in our Child Watch program. Your child will have the opportunity to play with other children and our caregivers. We will provide some structured activities such as reading, crafts and games. We have sensory/art supplies, blocks, books, music and toys to stimulate their imaginations. Your child will be treated in a friendly, positive and courteous manner. **Please refrain from bringing any personal toys in to the Child Watch room. All personal items can be left outside in the cubbies.**

UPSET CHILD

If a Child Watch staff is unable to console a child after 10-15 minutes of continuous stress, the parent/guardian will be contacted and asked to pick up the child from the Child Watch room. If you would like us to locate you after a shorter period of time, please let a staff member know.
