SERVED
DAILY**

**Campers must be registered by July 1st to
start on the first day of camp, July 6th.**

At the Ocean County YMCA, we are excited to be able to offer summer camp this year! We are working now in partnership with local health authorities, the CDC, and the American Camp Association on ways to ensure optimal health and wellness for our campers, families, and staff. We look forward to providing fun, enriching experiences that keep kids socially connected and active. The Y provides a welcoming environment for campers to express themselves, try new activities, learn new skills, be creative, make lasting friendships and have a great time!

Our camp program features an array of socially distanced games, arts and crafts, outdoor fun, and so much more. Campers will use our Learning Adventure Center throughout the summer to help prevent summer learning loss. A certified teacher will instruct campers in areas such as literacy, STEAM, and social emotional learning. Our camp days are filled with fun and engaging experiences that encourage self-confidence, leadership and team work.

Join us for one week or all summer long. We offer a full day camp experience for campers entering 1st through 8th grade. Located in Toms River, we utilize the acres of land at the YMCA. We follow all state and local standards for health, safety and program quality, governed through the Ocean County Health Department.

The Y camp curriculum is structured and delivered to promote teamwork, self-esteem and build lifelong skills. We incorporate the Y core values of caring, honesty, respect and responsibility into our activities. Every member of our camp staff attends pre-camp training, including First Aid and CPR. We educate in anti-bullying, behavior management, curriculum, CATCH and more. Staff consists of and our Y Kids before and after school staff, full time teachers, full time students and professional child care workers. Each staff member is fingerprinted, must pass a background check, a reference check and goes through a complete screening process. The health director will be available and onsite for the entire camp day.

While applications are considered and accepted throughout the year, anyone needing financial assistance for summer camp must submit their Y Cares applications as soon as possible.

2020 WEEKLY RATE

Our campers are divided by the grade that they will be attending in September 2020. Campers entering 1st through 8th grade can register.

**Registration Fee: \$50
5 day a week program: \$200**

Daily 8:30AM-4:00PM

Lunch & Snack Served Daily

Registration will open on June 10th through June 19th for current YMCA families.

On June 22nd, registration will open to the general public. Registration is on a first come first serve basis as group size is limited.

Parents/guardians will have to call in to the YMCA to initially register and make payment. After initial registration is completed, parents/guardians will receive a link via email to complete the registration process. Registration must be completed the Wednesday prior to the week you are registering for.

Registration will be closed after that point.

Must present current immunization dates at registration
