

EMPOWERING OUR KIDS.

Grab n' Go Meals

At the Ocean County YMCA, lunch will continue to be served!

The Ocean County YMCA is working to keep kids full while schools are on hybrid and remote learning sessions. Giving kids access to nutrition-filled meals allows kids to focus, learn and become empowered to reach their full potential.

Grab N Go Meals will be available Monday through Friday, from 11am-1pm, beginning Tuesday, September 8th
